Notre Dame Varsity Makes Splendid Showing Against Freshmen After Number of Changes Are Made.

Playing splendid football every minute the Notre Dame 'varsity downed the strong freshman yesterday afternoon in a fierce 25 minute srimmage. The gold and blue managed to shove over two touchdowns while the yearlings were held scoreless. The varsity line showed up splendidly and Bachmann and Cofaul could not gain with the same consistency that marked their work Tuesday.

Coach Harper sprung a surprise yesterday afternoon when he sent Gushurst, the weighty 'varsity back to end. "Gus" put up the same article of ball that he has displayed in the backfield and, while new at the end position, showed that he would soon develop into a capable wing man. Gushurst tackles hard and low and his weight helps him greatly in blocking in the line. In his first year at Notre Dame he was used at tackle on the Corby hall team so that it will not take him long to fit in at his new place.

Duggan Piedces Line.

Duggan at fullback played a fierce, dashing game throughout the scrimmage. He pierced the freshman line for big gains and at one time broke through and ran for 70 yards till tackled by Thorpe, the plucky fresh-man quarterback. Duggan is fast and is also fairly heavy, and he should backfield this year,

Keefe appeared at left guard for the 'varsity Wednesday, pairing with the veteran Fitzgerald. The development of substitute linemen is the problem upon which Coaches Harper and Edwards are now working. There is a saying in the sporting world that 'a team is no stronger than its substitutes" and the Notre Dame coaches are leaving no stone unturned in an effort to recruit men who will be capable of filling the shoes of the regulars should any of the latter through
